THE COUNTER CONNECTION!

SO! WE MEAT AGAIN...

GRAB A PARENT OR PAL AND PLAY THESE GAMES TOGETHER!

Take turns drawing a line between two dots (no diagonals). When the line you draw makes a square, write your initials inside it and you get one point. If you complete a square that contains a fruit or vegetable, that's worth two points. Continue to take turns until there are no moves left. The player with the most points wins!

THE COUNTER RAD LIBS!

ONE PERSON ASKS FOR THE WORDS AND WRITES THEM IN THE BLANKS, WITHOUT READING THE REST OF THE STORY. ONCE ALL THE WORDS ARE FILLED IN, ANOTHER PERSON READS THE STORY OUT LOUD!
