

THE COUNTER CONNECTION

Grab a parent or a pal and play these games together!

Each player takes a turn coloring in a hexagon shape with their chosen color. The object of the game is to form a connected path from one side to the other of the same color (red to red, green to green). The first one to do this is the winner!

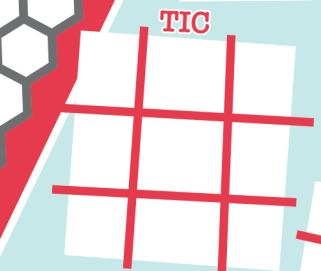

I relish the thought...

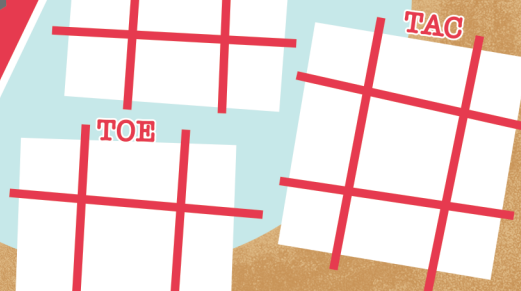

Let's ketchup!

THE COUNTER RAD LIBS!

One person asks for the words and writes them in the blanks, without reading the rest of the story. Once all the words are filled in, another person reads the story out loud!

It's a(n) _____ day at the beach! The _____ sands
are perfect for a(n) _____ game of _____. _____ is out
here wearing his finest _____ with _____
_____s on it. _____ is riding the _____ waves like a pro on
her _____. It's enough to work up a(n) _____ appetite! A(n)
_____ covered in _____ with a _____ of
_____ would hit the spot. But in the meantime, HANG _____!
